**Letter**

10 Feb 2022

Dear ,

RE: 紀文浩, KI MAN HO., Y010719(9).

Patient found to be 1/ have psoriasis severe with food origin 2/ Shortness of breath with food origin allergy I would like to advice patient not fit for COVID 19 vaccine this year in 2022 Please access risk and allergic first Please accept patient not to have vaccine this year No contact history or symptom of COVID 19 infection fit for work Thanks

**Impression: medical reason : 1/ have psoriasis severe, egg origin**

Please kindly offer your expert opinion. Reply letter highly appreciated.  
Thank you.

Best regards,
